

Your opportunity to exhibit

Equidays South Island Edition will bring a taste of the major annual Equidays event to Christchurch on 21-22 October 2017.

Only a week after the Mystery Creek event takes place, the Canterbury Agricultural Park will be transformed into a mini version of our ultimate equine destination complete with a world-class indoor sand arena and three outdoor grass arenas.

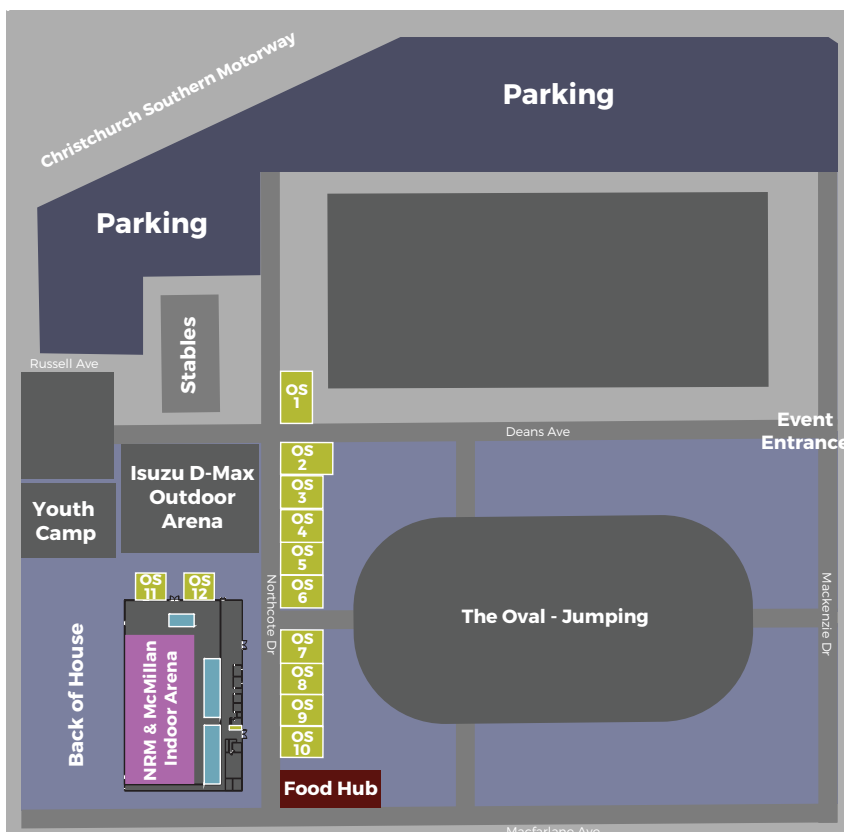

Most of the international clinicians featuring at the main Equidays event will join the team on the road and present during the two-day Christchurch show.

A collection of exhibitors, including a Food Hub, will attend. Ample stabling facilities onsite will give horses comfortable accommodation throughout.

Three outdoor arenas adjacent to the indoor will be home to more clinicians who are looking forward to bringing their knowledge and passion to the exciting new event.

The event will open to the public at 10.00am, with doors closing at 5.30pm on both days.
